JUNIORS PRE-SEASON IN FULL SWING

Our junior teams have been training the house down in preparation for their season openers after the school holidays. This year we're fielding multiple teams across a variety of leagues including Machine Pitch, Little League, Intermediate League, Senior League and Big League.

NO HITTER SHUT OUT

In the late 1950s South Perth played Perth at Langley Park in a game that would go down in club history. Although there had previously been no hit no run games, **Glen Orton** became the first South Perth pitcher to pitch a no-hit, no-run, no-error game. The first 8 innings were 3 up 3 down. In the 9th inning the first two batters were struck out. The third batter got walked but got picked off at first base.
