SIMON BAUMER JETS IN FROM GERMANY

We're excited that Simon has joined our team for Season 23/24. As a member of the German National Team, 2 x European Champion, Florida Southwestern College alumni and all round good guy - he has fit right in!

VOLUNTEERS ARE GOLD!

During the late 60's/early70's club members and players volunteered to manually dig the hole for a swimming pool at the home of the late Max Kaye (entertainer). This was done over one weekend as there was no access for bobcats/diggers to do the job.

Another fundraiser during this time players worked weekends for a number of months at the Kwinana Nickel Refinery acid cleaning the brickwork prior to the refinery being commissioned. The club got paid for the labour

In their second round of the season, State League took home the prized GJ44 memorial trophy. This was an amazing achievement in a tight 2-0 game against Carine Cats that Greg would have been so proud of. BOWEY & BAUMER combined to throw a no-hitter too!

“In baseball, a triple play is the act of making three outs during the same play”. AND YEP, we did that! Congratulations to our E Grade team who have turned a triple play already this season - can't wait to see what comes next!

Most of our junior teams kicked off their season last weekend. With some mixed (and very close) results, we are sure they had fun!
